

## SENATORS AT THE COTILLION

The dance and cotillion to be given tomorrow evening at the Moana Hotel by Mrs. Mary Gunn promises to be an event of much social prominence, as not only will society be there in large numbers, but the members of the Senatorial Commission and other visitors from abroad will be present. The cotillion will be led by Mr. J. Tarn McGrew and several of the figures will be quite new to Honolulu. Owing to the lateness at which the dance commences an arrangement has been made whereby cars will leave the Moana Hotel for town at 12:30 or shortly afterwards which will enable the guests to remain and enjoy the entire affair to the very last note of the final waltz. The patronesses for the cotillion are Mrs. W. G. Irwin, Mrs. S. M. Damon, Mrs. J. S. McGrew, Mrs. S. B. Dole, Mrs. G. R. Carter, Mrs. J. B. Castle, Mrs. F. M. Hatch, Mrs. Samuel Parker, Mrs. Montague Turner, Mrs. B. F. Dillingham, Mrs. F. M. Swanzy, Mrs. M. C. Widdfield.

### Lecture by Walter C. Weedon

Association Hall was taxed to its utmost capacity last Friday evening to hear the well-advertised lecture on "Honolulu the Beautiful." Scores of people were turned away unable to gain admission, and a hundred or more were willing to remain standing in the halls to see the 150 or more pictures which were thrown on the screen, descriptive of the many attractions which this new island possession has to offer. So interesting was the lecture that a vote was taken at the close and the majority said "repeat it." Therefore Friday evening, September 12th, Mr. Weedon will give another lecture, modified somewhat, giving many new views.—Oakland Young Men.

### The Queen's Counsel.

Clarence W. De Knight of Washington, D. C., wishes the Advertiser to say for him that he is the attorney for the Queen in the land case and that Judge Humphreys is his local assistant, with no other interest apart from his immediate retainer. When the case comes up at Washington, Mr. De Knight will present it. This explanation is solicited because of reports, touching contingent interests, etc., which are calculated to injure the cause of the Queen and which are not supported by facts.
